

## News Release

# Gallucci to Lead Sales & Marketing, Americas, for Lonza's Personal Care and Hygiene Teams

**South Plainfield, NJ (USA), 26 June 2017** – Julie Gallucci has moved to Lonza Consumer Care to take the role of Vice President of Sales & Marketing for its Personal Care and Hygiene businesses.

Based in Allendale, NJ (USA), Gallucci leads the Sales & Marketing teams for the Personal Care and the Preservation & Hygiene divisions in North and South America. She is responsible for implementing new business strategies and for expanding sales in the regions. Prior to her promotion, Gallucci served four years as VP of Sales for Lonza's Coatings & Composites division.

Gallucci earned her Bachelor of Science degree from the University of Delaware in Newark, Delaware. She has more than 20 years' experience in specialty chemical sales and sales management with global organizations. She is a member of the Society of Cosmetic Chemists, American Cleaning Institute and Société de Chimie Industrielle.

### **About Lonza Consumer Care – Personal Care**

Part of Lonza's Consumer Care business unit, the Personal Care business has long been the world's leading supplier of active antidandruff agents, with its Zinc Omadine® product considered the gold standard in the antidandruff shampoo market. Lonza Personal Care also supplies a wide array of other hair- and skin-care products, including biotechnology-derived active ingredients, preservatives for use in certified natural and organic products, specialty esters and other functional ingredients. More information can be found at [www.lonza.com/personalcare](http://www.lonza.com/personalcare).

### **About Lonza Consumer Care – Hygiene**

A key part of Lonza's Consumer Care business unit, the Hygiene business offers a broad portfolio of registered actives, preservatives and formulations for use in disinfectants, sanitizers, and institutional and household cleaning products. This wide range of solutions is used to disinfect and sanitize food processing plants, restaurants, grocery stores, hospitals, homes and more. More information can be found at [www.lonzabiocides.com](http://www.lonzabiocides.com).

### **About Lonza**

Lonza is one of the world's leading and most-trusted suppliers to the pharmaceutical, biotech and specialty ingredients markets. It harnesses science and technology to create products that support safer and healthier living and that enhance the overall quality of life.

Not only is Lonza a custom manufacturer and developer, the company also offers services and products ranging from active pharmaceutical ingredients to drinking water sanitizers, from nutritional and personal care ingredients to agricultural products, and from industrial preservatives to microbial control solutions that combat dangerous viruses, bacteria and other pathogens.

Founded in 1897 in the Swiss Alps, Lonza today is a well-respected global company with approximately 40 major manufacturing and R&D facilities and more than 10,000 full-time employees worldwide. The company generated sales of CHF 4.13 billion in 2016 and is organized into two market-focused segments: Pharma&Biotech and Specialty Ingredients. Further information can be found at [www.lonza.com](http://www.lonza.com).
