

Solvay appoints Peter Browning as Head of Aroma Performance

Brussels, October 20, 2017 --- Solvay has appointed Peter Browning as President of the Aroma Performance Global Business Unit.

Peter has more than 20 years of leadership experience within Solvay, including as Automotive Market Director and General Manager for the former Engineering Plastics Global Business Unit and as Business Unit Director for Silica. Before joining Solvay, Peter held both commercial and production management roles with Procter & Gamble.

Peter Browning holds a Bachelor of Chemical Engineering degree from Aston University, UK, and an MBA from London Business School.
